PROFESSIONAL SUMMARY

Motivated and disciplined B.Tech student specializing in Artificial Intelligence & Data Science with a strong passion for Cloud Computing, Networking, and DevOps. Actively building expertise to become a professional Cloud Architect through hands-on learning and practical project implementation. Proficient in Git version control workflows including repository management, commits, and branching. Possess beginner-level hands-on experience with AWS (EC2, S3, IAM), Docker containerization, Jenkins CI/CD, Linux systems, and Networking fundamentals (TCP/IP, OSI Model, Subnetting). Committed to continuous learning and applying theoretical knowledge to real-world cloud infrastructure scenarios.

EDUCATION

Bachelor of Technology - Artificial Intelligence & Data Science

Expected 2028

[NPR College of Engineering and Technology](#)

Dindigul, Tamil Nadu, India

TECHNICAL SKILLS

Cloud & DevOps

AWS (EC2, S3, IAM) • Docker • Jenkins • Linux • Cloud Architecture

Version Control

Git • GitHub • Repository Management • Branching & Merging

Web Technologies

HTML5 • CSS3 • Responsive Design

Networking

TCP/IP • OSI Model • Subnetting • Routing & Switching • Network Protocols • VLAN

Programming Languages

Python • C • C++ • JavaScript

Data Analytics

Power BI • Python Analytics • Data Visualization • Business Analytics

Infrastructure as Code

Terraform (Basics) • Cloud Automation • Infrastructure Provisioning

PROJECTS

Git Version Control Project

github.com/deransiyadorinj/git.git

Comprehensive hands-on implementation demonstrating expertise in Git version control. Includes practical applications of commits, branching strategies, merging workflows, and repository management essential for collaborative software development.

Git GUI Project

github.com/deransiyadorinj/Git-GUI.git

Demonstrates proficiency with Git graphical user interface tools for visual repository management, showcasing understanding of both command-line and GUI-based workflows for efficient version control operations.

Professional Portfolio Website

github.com/deransiyadorinj/My-Portfolio.git

Modern, responsive personal portfolio website built with HTML, CSS, and JavaScript. Features premium dark theme with Blue/Pink color scheme, smooth animations, and comprehensive sections showcasing technical skills, projects, and professional information.

CERTIFICATIONS

29 Certifications Completed across diverse technology domains demonstrating commitment to continuous learning and professional development.

- Artificial Intelligence
 - Cyber Security
 - Data Science & Analytics
 - UI/UX Design
 - Power BI
 - Web Development
 - Business Analytics
- Cloud Computing
 - Ethical Hacking
 - Generative AI
 - Leadership & Agile PM
 - Python & C++
 - IoT

Notable: Licensed Certification - AI Tools Workshop | Diploma of Completion - Introduction to UiPath IXP | Webinar Certificate - The Future of Web Development with AI | **Hackathon - CIT | Course Completion - Data Analytics | Class Topper 🏆 - AI & Data Science Dept.**

PROFESSIONAL HIGHLIGHTS

- Actively studying Cloud Computing, Networking, and DevOps technologies with hands-on practical exposure
- Proficient in Git workflows including commits, branches, merging, and collaboration
- Continuous learner building projects to strengthen cloud architecture expertise
- Strong foundation in Linux systems, command-line operations, and Networking fundamentals
- Understanding of AWS cloud services including EC2, S3, and IAM
- Practical knowledge of containerization with Docker and CI/CD with Jenkins
- Hackathon participant at CIT | Class Topper - AI & Data Science Dept. | 29 Certifications earned
